- The hostel has recently undergone renovation, boasting new furniture for added comfort.
- The chowki and supri are known for being friendly and understanding, providing a welcoming environment for students.
- The availability of Wi-Fi is commendable, although the mobile internet connectivity with Airtel and Jio can be unreliable.
- However, one potential drawback is its distance from NAB, LTC, Library, and other academic buildings.
- Students have experienced occasional issues such as water shortages, electricity outages, and encounters with dogs damaging their laundry.
- **QT-** One is an empty QT with a tree at the centre while the other one has an open air badminton court .
- **Common rooms-** On the ground floor you have table tennis along with gym equipment (last time we checked it was broken) while the first floor common room is air conditioned and has a foosball table along with a seating area. There is also a vendiman present on the ground floor.
- **Redi-** Due to lack of items provided at Vyas redi people usually prefer Shankar redi which is 10 m away from Vyas redi.

- **Nearest Landmark**- Vyas Bhawan is located in front of the Saraswati temple road and is conveniently close to Akshay and C'not.

- **Mess Information:**

- The hostel's mess is Shankar-Vyas Mess, known for its friendly staff.
- While it may not be the most spacious or luxurious mess in terms of ambiance, it strives to provide a pleasant dining experience for the residents.
- **Distance from NAB**- For students concerned about proximity to NAB, Vyas Bhawan is just a 5-10 minute walk away, making it easily accessible for academic purposes.

- **Introduction:**
 - Shankar Bhawan is widely regarded as the top hostel due to its favorable location and decent facilities.
 - It enjoys the closest proximity to ANC and GymG, and Looters/Tott is just a short walk away.
 - While there may be some minor inconveniences, like the absence of shower heads and limited water availability in washrooms after 2 am, the hostel's recent renovation ensures that doors, tables, and walls are in good condition.
 - Vikram Ji, the chowki, is known for being amiable and approachable, but it's essential to maintain a positive relationship with him.
 - One notable issue faced is dogs overturning dustbins at night, though it's challenging to address effectively.
 - The hostel offers electric geysers in T-Wing washrooms on both floors, while solar geysers are available in the rest of the washrooms.
 - Airtel and Jio internet connectivity may be disappointing, but Wi-Fi access is generally satisfactory.
- **QT:**
 - The two QTs in Shankar Bhawan may not meet high expectations, with one featuring a mediocre badminton court and the other offering a cement pitch with pleasing aesthetics, suitable for various sports activities.
 - The second QT is ideal for setting up a net to play sports like volleyball or tennis.

- **Common Rooms:**

- On the first floor, you'll find an air-conditioned common room equipped with a Foosball table, TV, and comfortable chairs for relaxation and entertainment.
- The ground floor common room houses basic gym equipment that sees limited use, along with a convenient Vendiman and a newspaper stand.

- **Redi** - Shankar Bhawan's Redi serves an average selection of food, but it's worth trying their Mango Shake and Cheese Maggi. However, it's best to avoid their tea.
